

2021 Fall Season - Supplemental COVID-19 Rules and Procedures

OBRL will follow the guidance and policies provided by local and state governments regarding outdoor activities. In addition, OBRL will impose the following:

- **NO TENTS** or any other types of temporary coverings are allowed.
- Teams must warm up outside of the baseball complex (**baseball complex** is defined as the four entrances in the outfield)
- Teams must meet outside of the baseball complex and enter as a group.
- Teams playing the second, third, and fourth games of the day must wait until teams from the previous game have vacated the baseball complex.
- To maintain social distancing, only three (3) people are allowed to sit in the dugout. All other team members must socially distance in the bleachers and along the fence down each foul line
- Teams must vacate the baseball complex immediately after games are completed. Coaches wishing to talk to their teams must do so outside of the baseball complex.
- NO POTLUCKS before or after games.

Violation of these rules and procedures may result in the revocation of permits by the City and County.

As requirements change, OBRL will update this policy.
